## WELCOME TO BULLITT!

To make sure you have a pawfect stay, we've kitted out your room with a few extra creature comforts.

We hope you have a ball with your four-legged friend and if there's anything else you need, just give our reception team a shout by dialling *5000* on your phone.

### DOG TIRED?

No need to ruff it at Bullitt! We want our canine customers to sleep just as soundly as their humans, so we've chosen a luxury Casper dog bed for them to snooze in. After 110 prototypes, 460 hours of lab testing and 11 months of doggie sleep studies, Casper has combined their mattress-making know-how with extensive dog-centred research to create the perfect sleep environment for your pup!

---

### WHO'S A GOOD BOY?

You are! That's why we've included a doggie beer and tasty treat to spoil your top dog. After all, they're on their holidays too!

---

### DIRTY DOGGO?

We recommend our friends at Short Bark and Sides for all your dog grooming needs. Find out more at [www.shortbarkside.co.uk](http://www.shortbarkside.co.uk)

### GOING WALKIES?

Nipping out for a short stroll around the block? We suggest heading towards the Albert Clock, which is just a stone's throw away from Bullitt, and walking along the river towards The Waterfront. If you've got a longer walk in mind, there are lots of great spots around Belfast. Check out the Botanic Gardens, Ormeau Park, the Lagan Towpath and Cave Hill.

### FEELING THIRSTY?

Treat your doggo to a trip to The Dirty Onion which is just a few minutes' walk from Bullitt. This dog-friendly bar even has its own dedicated dog menu packed with dog treats to choose from. Keep an eye out for their annual pooch social events!

### OUR POOCH POLICY

We want to make sure all our guests have a great stay at Bullitt so we've put together our own pooch policy to make sure your visit runs smoothly!

-  Dogs are allowed to relax in the lobby and courtyard bar, however they are not allowed in Taylor & Clay Grill or Tetto Rooftop Garden.
-  Dogs must be kept on a leash or in a carrier at all times when in public areas of the hotel.
-  If your room is damaged or super messy, there will be a fee for cleaning or repair costs at check-out.
-  Contact details and pet details must be provided to the reception team (with alternate contact in case of emergency).
-  In the event of emergency, if uncontactable you must agree for the hotel to call a vet and release all responsibility should anything adverse happen.
-  Your doggy door hanger is to be kept on the door always, to indicate dog in room.
-  Dogs cannot be left unattended in the room, without first informing the reception team. Owners must be present while any member of the hotel team is in the room with your dog.
-  Dogs must have up-to-date vaccinations, proof of which should be available on request.
